OPPORTUNITIES

Schools' Football Week is an ongoing ESFA initiative designed as an opportunity for schools, teams and clubs from across the country to embrace schools' football and the wellbeing benefits it provides to pupils and players.

Schools' Football Week (SFW) 2025 will be back in the calendars of schools across England from Monday 31 March until Sunday 6 April and for the first time, will run in partnership with Pokémon!

So, what if you are considering a career in Football? There are so many more jobs that "just" professional Footballers. Think of all the people who work in a football stadium; stewards, grounds people, physiotherapists, nutritionists, coaches, community engagement officers, analysts, sport photographers and SO many more. You can read more about Career Paths in Football here.

"0.06%. It's a number so small, it's hard to comprehend. But that is the chance of a young boy becoming a professional footballer in this country." - This information was taken from the BBC's Documentary "Football's Broken Dream". We don't want to be negative but if you have got your sights set on a becoming a footballer, you need to make sure you have a back up plan as the chances of making it are very slim.

Did you know that there is a university that specialises in degree courses that relate to Football? It's called UCFB. "UCFB is an established higher education provider, with a proven model for making sports education more relevant, more connected and more embedded in the sports industry, providing our students with the best experience in the world of sport." - You can read more about them here.

Here is the UCAS guide to Sport and Exercise Science.
